General Meeting

COMMODORES CORNER

As the season turns to Fall, its time for elections to the Board for next year and signing up for the Holiday party.

If you haven't already, you will be receiving an e-mail from Marianne Bell and the Nominating Committee announcing the candidates for the 5 elected Board members. They are also listed in this Newsletter. The slate will be voted on at the October meeting, with installation in December.

Marianne has decided to step down from Membership Chair and Patty Limandri (50/50) has moved. We will be looking for volunteers to fill these two positions. Please contact me if interested.

The Holiday party will be held on Tuesday December 3, 2024, at the Lake House at Sabal Springs in North Ft Myers. Details are on page 3. We have new music this year with Sound Wave, a really fun and danceable duo. Registration will be available at the October General Meeting, and by mail or Zelle if you can't attend the meeting. so bring your check book and sign up! Deadline for registration is November 10, 2024.

We still need volunteers on some of the committees, so please don't be shy, and get involved with the club. It's a great way to meet members. Contact me or the committee chair.

We need to know how many people are attending and that we have enough food.

Potlucks and the Pizza Party in August are BYOB, and you can also bring snacks for the table.

When you arrive at the meeting, see Kate at the door and get your table assignment. You MUST sit at your assigned table, it's a great way to meet new people. No one is allowed in the kitchen except the Galley Crew.

Vice Commodore: TIM PODLEY
Rear Commodore: BOB PURRONE

Upcoming Boat Trips

 Rear Commodore Bob Purrone (Sanibelbob1@comcast.net)

This time of year, we seem to have more crew than boats. Boats will be assigned first to members who signed up at the General Meetings and then in the order that replies are made to the email notice. Once the boats are full everyone else will be asked to drive.

You can sign up as Skippers or Crew at the General Meetings or when the notices are sent about 2 weeks prior to the trip. It is essential that members respond to the notices immediately, confirming attendance and it is mandatory that you include your phone number when responding. The calendar for the rest of the year is on page 2.

Also, please note that if there are issues or concerns at any of the restaurants we go to, please address them directly to Bob or the person in charge of the trip. and not with the restaurant staff.

Land Activities Anne Kiefer (dr.annekiefer@gmail.com)

By the time you receive this the September activity to Venice Beach and Finns will be history. There are no land activities in November or December and details for January will be forthcoming.

Membership Update Marianne Bell (rbmb2@comcast.net)

Membership now stands at 123 so we have some room for new members. If you know anyone who wants to join our fun group, please contact Marianne.

Galley Crew Margaret Dorin (margaretdorin@comcast.net)

October Meeting is a Pot Luck. BYOB and anything else you want to eat. It is essential that you respond to the email you receive from your group leader to let us know that you're coming so that we have enough food. For the Pot Lucks, volunteers are still needed to help in the kitchen.

Clothing Sales Peggy Talbot (PTPEG@aol.com) and Fran Hoden (jfhodes13@gmail.com) co-chairs

The new Iron-On decals were introduced at the May meeting and will be available at the October meeting also. The large decal is available in either White (for dark colored clothing) or Black (for light colored clothing). Prices are \$8. for the large decal and \$3 for the flag decal. ... or buy both for \$10. Bring cash or check. Members can order shirts with the embroidered flag and your name on the front, then you can iron-on the large decal on the back. Shirt orders will be taken at the February meeting only, but the decals will be available at the General Meetings.

Safety

Please remember when you are on a boat and the boat is docking that you **do not** stand until the Captain and crew handling lines have secured the boat to the dock and you are told that it's OK to "move about the cabin".

Newsletters

Bill Shallbetter has added a link on the website with all the old newsletters from previous Commodores. It's really interesting to see how some things never change.
